Nutrition Consultations

Give employees the opportunity to discuss their nutrition needs in a friendly and confidential environment.

Details

- Individual consultations with a Nutrition Australia Qld dietitian at your workplace
- Appointments can be either 20 or 30 minutes in duration
- Staff are provided with education and advice to assist them in making healthy food choices at home and at work
- Goal setting and strategies to improve nutrient intake and diet quality, with take home materials provided
- This service makes trusted nutrition advice easily accessible to employees
- Service cost – \$125.00 per hour (minimum 4-hour booking)
(travel fees may apply)

Health Displays

Host a health display in your staff room or lobby. Interactive and eye-catching nutrition displays are designed to generate conversation amongst staff.

Details

- Hosted by an experienced Accredited Practising Dietitian or Nutritionist who will facilitate discussion and answer questions
- Take away materials for staff including fact sheets and recipe cards
- Service cost – available upon enquiry, contact us for more information

Health Display Topics

Activities presented at health displays may include:

- What makes a healthy lunch or dinner?
- Alcohol display – energy density and pouring standard drinks
- Quick and simple swaps

- How much sugar is in that drink?
- Power of portion size – keeping your serves in check

Canteen Menu Reviews

A canteen or café menu review conducted by an experienced Accredited Practising Dietitian or Nutritionist can help identify any areas for improvement and provide suggestions to increase the availability of healthier options.

Contact us for more information.

Tailored Packages

We are more than happy to tailor a package to suit the needs of your staff and organisation.

“Workplace health programs result in a \$5.81 saving for every \$1 invested in employee wellbeing”

HAPIA Best Practice Guidelines 2010

1. On average, we spend 1800 hours each year at work. That equals 10.3 years of our life!
2. The office environment has a huge impact on our health and wellbeing.
3. Improving the health of your work environment improves your quality of life.

The benefits of engaging with Nutrition Australia Qld to deliver healthy workplace initiatives include (but are not limited to):

- Improved staff morale and team building experiences
- Increased productivity
- Decrease in staff turnover
- Improved employee relations
- Reduction in work related ill-health and decrease in absenteeism
